A Delicious REASON TO EAT In Season

By Lindsay Navama

Harbor Country is famous for its beautiful Midwest beaches, but few know that this delicious region of Southwest Michigan is also located in one of America’s fruit belts and rated second in the nation for the diversity of produce grown. Fruit has been grown in Harbor Country’s Berrien County since it was settled in 1829, but at that time most growing was done for personal use. In the 1850’s Michigan lost many peach trees after a few extremely frigid winters. However, due to Berrien County’s location next to Lake Michigan, the peach trees here still thrived. This realization inspired the county to begin cultivating peaches and other produce to sell commercially in Chicago and beyond. With access to twenty percent of the world’s fresh water supply and unusually fertile soil, it’s not surprising that Berrien County has become one of America’s top growing regions.

From May through November, roadside farm stands, local grocery stores and u-pick farms brim with the season’s bounty. Come spring, look for the rhubarb, asparagus, spinach and peas. By June, broccoli, strawberries, cherries, and cucumbers have usually come online. The sun drenched months of July, August and September deliver an edible rainbow of fruits and vegetables from tomatoes, blueberries, peaches, and plums, to okra, beets, beans and peppers. Once autumn arrives, hit the apple orchards, stroll the grape vineyards, pick some pears, and be sure to find a pumpkin patch before October 31st.

Whether you’re visiting or lucky enough to call Harbor Country home, seize the opportunity to eat what’s in season by using this simple produce chart. When you experience a sweet, juicy summer tomato, still warm from the sun or bake a pie with crisp apples your family picked that day, the food indeed nourishes the belly but it also feeds the soul.

Things To Do

The Grace Effect

Katie and Tom Driscoll, Owners

Ignite your senses and your heart with beautiful scented candles, fresh cut flowers and more from a celebration of love, family and nature that is The Grace Effect.

The journey began with owner Katie Driscoll's passion and desire to promote inclusiveness for disabled children and their families. She launched a world-wide movement by forming a non-profit organization called Changing the Face of Beauty, believing that her radiant daughter Grace who was born with Down's syndrome, should feel represented in media and advertising. Out of that cherished dream, The Grace Effect candle company was born. Soon after, she followed another dream to own a Flower Farm.

Start by visiting thegraceeffect.com to shop a wide selection of finely crafted scented candles and more. Aromas

of nature and earth will awaken your senses. Choose fragrant blends of florals, forests, fields, plants, woods, winds, herbs and spices. Mindfully pure and simple, all candles are hand poured and toxin-free. Made from just three wholesome ingredients: soy wax, vegan essential oils and a cotton wick. 16oz candles burn for 160 hours. 10oz candles burn 80 hours.

Grace is the heartbeat of The Grace Effect. She loves to work with her mom in their cozy Lakeside candle studio, or on their eight acre U-Pick Flower Farm. Here the entire family, including dad and five brothers, work to cultivate and nourish two native wildflower fields and other gorgeous perennials.

You're invited to bring your friends and family to this magical destination. Walk the fields and gather your own fresh cut blooms. As you breathe in nature you might enjoy meeting their

sweet menagerie of cows, goats, sheep and chickens.

Visit the charming farm store for flowers, plants, candles, lavender, honey, edible blooms, dried flowers, and local art. Enjoy a taste of Katie's home baked goodness and find more things made by partners that support the disability community like soaps, coffee, fresh preserves and home goods. There is also a 24/7 self-serve stand stocking fresh-cut market bouquets daily. You can also subscribe for weekly delivery of fresh cut seasonal bouquets.

Visit The Grace Effect Flower Farm at 9962 Holden Road Baroda. Open weekends mid-spring through autumn. Check the website and social media for hours, up-to-date offerings and a variety pop-up events.

Goods & Heroes
Suzanna Bierwirth, Owner

In the reimagined former Bodyshop of a 1941 Chevrolet Car Dealership right in the center of Three Oaks you will find Lifestyle Store Goods & Heroes.

The Owner, German native Suzanna Bierwirth, a photographer and designer by training, spent years as a Creative Director in the advertising world. Her background shows in the careful curation of clothing and shoes for him and her, hand-made jewelry, small batch apothecary, beautifully crafted leather-goods and accessories, a large selection of greeting cards, art, books, curious gifts and objects for the modern home.

“Know your maker” is one of Suzanna’s mantras. The Goods & Heroes team loves sharing the tales and intentions of the American Indie Designers and the storied European Heritage Brands, the generations of shoemakers and the local artisans - the true heroes behind the showcased goods.

“From beach to board room, we dress women of all ages and for any occasion,” says Suzanna. “Our style ranges from fun to understated to avantgarde; timeless elegance with a

hint of edgy -but it is never really about fashion or fads. It is about finding pieces that make you feel confident, express your personality, and remain relevant additions to your wardrobe.”

The guys will find all they need for the life out here in Harbor Country –from rugged to classic everyday basics, purposeful outerwear, and footwear that will stand the test of time. And when searching for a gift, there is always something unique and meaningful to discover- even for the hard-to-buy for.

The large industrial space boasts high ceilings and is filled with light, plants and architectural oddities. The vibe is easy-going and an invitation to be inspired- by anything from a little letter pressed note card to a pair of gorgeous, handmade shoes, or simply by a heartfelt conversation with the Goods & Heroes team.

Follow Goods & Heroes on social media @goodsandheroes to find out about trunk shows, book signings and artists receptions. Call to book the entire place for an after-hour shopping party.

WINE, BEER & SPIRITS

GOLDEN MUSE WINERY

Dr. Analisa Leppanen Owner/Director/CMS Level 1 Sommelier

Beautiful wines, an inspiring art gallery and a celebration of the Golden Age of Paris combine to offer a deliciously different experience in downtown Baroda. Step into a sensory world of tastes, art, culture and fun at this one of a kind destination. The vision and the vibe for Golden Muse Winery is curated from the owner's eclectic life experiences, talents, education, creativity and passions.

Always a wine enthusiast, Analisa was attracted to the terroir of the Lake Michigan Shore. She began executing her dream of opening a winery in 2019 after completing the Wine and Viticulture program at Lake Michigan College. Her impressive range of previous scholarly pursuits include historian of art, architecture, visual culture, film and design. She is a former university professor, author of several books and essays, and even a costume designer and Flamenco dancer.

Golden Muse presents a fine selection of small batch, French inspired European-style wines made primarily from Michigan grapes and produced here. All are named and labeled for legendary Parisian artists, poets and performers from the turn-of-the-century.

The unique winery is housed in a renovated machine shop, artfully transformed into an unexpected space. The Steampunk style tasting room displays luxe trappings from the Golden age of Paris, like a blue velvet couch and crystal chandeliers. Repurposed industrial elements like pub tables made from tires and bar stools from tractor seats add a surprising twist to the aesthetic. Beautiful wood accents show an appreciation for nature and fine craftsmanship.

As you sip a glass or two, you'll wander through the impressive art gallery showcasing over 30 international and American artists. Analisa's talented mother and co-founder Marianne Taylor Leppanen is among them. Her whimsical pieces are created from natural materials and found objects in a form she calls eco-art. As you view the collection, be sure to have a seat on the Elton John sofa and gaze at the authentic Toulouse-Lautrec color lithograph.

Custom French doors open to a serene outdoor patio where visitors can enjoy sunshine and wildlife, bird watching, a fire pit and a sculpture walk alongside scenic Lemon Creek.

New wines, specialty drinks, lite bites, a wine club and on-going schedule of events all add to the friendly scene, making Golden Muse a place you'll want to experience regularly.

DABLON
VINEYARDS & WINERY

LOCALLY INSPIRED, GLOBALLY PRODUCED WINES

Dablon Vineyards & Winery is a family-owned, 45-acre estate vineyard nestled in the heart of Southwest Michigan. Founded in 2009 with 4 acres of Chardonnay and Pinot Noir, we now grow close to 20 varietals crafted into more than 30 wines (including some unusual to the area, such as Malbec and Petit Verdot). Along with other fine wineries in the state, our goal is to elevate Michigan wine to the national stage.

Exceptional wine comes from exceptional grapes. We hand-plant each vine and hand-nurture the grapes on our estate vineyard. Our wine makers combine traditional wine making methods with the latest technological wine making equipment, crafting & bottling wines that are rich, vibrant, complex, elegant, and full of flavor.

Our industrially elegant, award-winning tasting room is open 363 days a year. Sip wine with friends & family on our gorgeous terrace overlooking the vineyard or next to our inviting fireplace. We offer winery tours, barrel tastings, wine dinners, and movie nights, as well as snowshoeing during the colder months. Dablon is located in Baroda, MI just 5 miles east of I-94. Come visit!

LODGING

Goldberry Woods

Julie and Eric Haberichter, Innkeepers / Owners

Immerse yourself in luxury lodging, farm-to-table goodness and lush nature all in one place. Hosts Julie and Eric Haberichter have spent twelve years cultivating their beautiful 30-acre secluded property into a unique Modern Farm Resort. At Goldberry Woods guests can explore an organic micro farm, fruit orchard, native prairie and sprawling woods, all nestled along the peaceful Galien River.

The gorgeous main house is a boutique B&B with eight suites showcasing artisan-built beds crafted from native tree limbs, plus gas fireplaces and jacuzzi baths. Two spacious cottages have 3-4 bedrooms, screened porches, full kitchens and baths, plus laundry. Two renovated vintage campers include modern conveniences, decks, bonfire pits and grills.

Each day starts with a delicious breakfast made-from-scratch. Most ingredients are sourced and harvested from the onsite farm. Guests can join Julie in the gardens to pick vegetables, fruits and herbs, or visit the aviary to help gather eggs or feed the chickens, ducks and quail. "Here people can truly connect with the food they eat, they can see it being grown and see it go right to their plate." An organic farm stand offers a bounty of seasonal farm produce, flowers, plants, and more.

To the degree that guests desire, they can participate in an ongoing schedule of weekly activities like farm tours, foraging walks, yoga, or interactive workshops. Kids can frolic in the children's play area or follow creative clues on a hidden scavenger hunt.

Guests are free to swim in the year-round enclosed heated pool, use the resort's canoes, kayaks or paddle boards to explore the river, wander wooded hiking trails, or borrow bikes to cruise quiet rural roads. Or just slow down, read by the fireplace, relax in the cozy sunroom, or stargaze in the hot tub.

Large groups can book multiple accommodations or take over the entire property for weddings, reunions, meetings and retreats. A newly built barn venue accommodates gatherings for up to 75 guests. All-inclusive elopement packages are available for intimate ceremonies and celebrations.

Goldberry Woods is located close to beaches, wineries, restaurants, shopping and quaint nearby towns.

Julie and Eric continually envision more ways to connect guests to nature, real farm fresh foods, health, wellness and enjoyment of the great outdoors.

Guests are free to swim in the year-round enclosed heated pool, use the resort's canoes, kayaks or paddle boards to explore the river, wander wooded hiking trails, or borrow bikes to cruise quiet rural roads. Or just slow down, read by the fireplace, relax in the cozy sunroom, or stargaze in the hot tub.

Galien River Marsh Water Trail

Welcome to the Galien River Marsh, an ecosystem that was once prevalent along the Lake Michigan shoreline which is now rare.

Great Lakes Marsh: Synchronized to the Rhythms of Lake Michigan
The marsh ecology and the plants and animals found here are influenced by the climate and water levels of Lake Michigan.

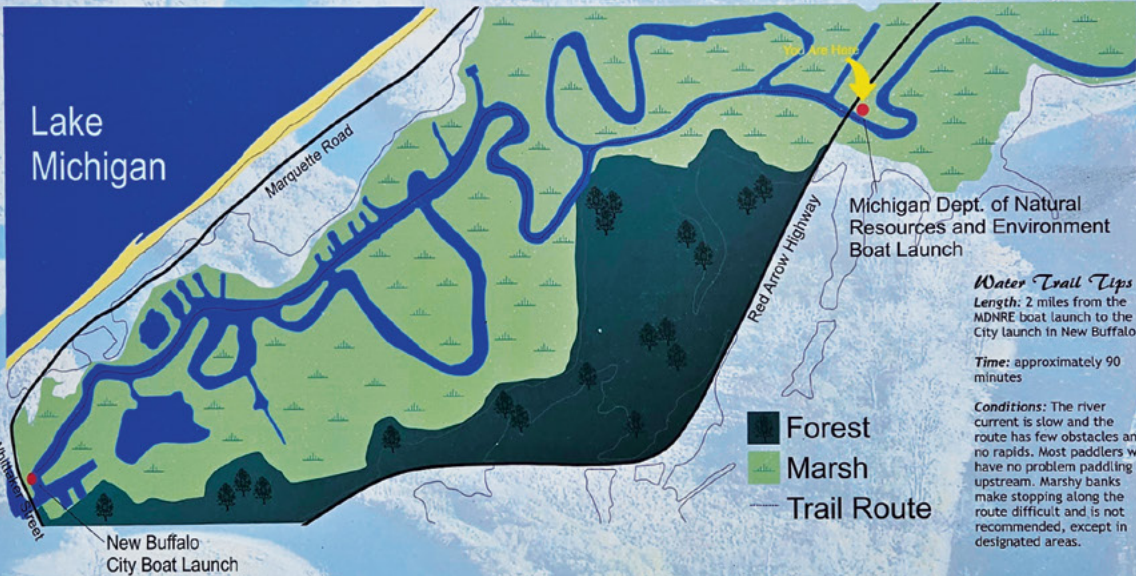

In addition to being closely linked to a Great Lake, a Great Lakes marsh has the following communities:

- 1. A deep marsh with submerged plants, largely under water.
- 2. An emergent marsh with plants whose roots are in standing water, but whose leaves emerge from the water.
- 3. A wet meadow whose soil may be inundated with water, but at other times may be dry.
- 4. A shrub boundary between the marsh and the forest.
- 5. A dry forest containing oaks, hickory, black cherry and other trees.

Migration Rest Stop

The coast of Lake Michigan is a migration route for waterfowl, raptors and songbirds. As the birds migrate in the spring and fall, the marsh provides a resting and feeding area. The calm water, protected from storms, serves a vital function for many species.

Water Trail Tips
Length: 2 miles from the MDNRE boat launch to the City launch in New Buffalo.

Time: approximately 90 minutes

Conditions: The river current is slow and the route has few obstacles and no rapids. Most paddlers will have no problem paddling upstream. Marshy banks make stopping along the route difficult and is not recommended, except in designated areas.

Invasive Species

Protecting the Marsh
In 2002, the Louis J. Sina Family of New Buffalo donated 156 acres of the Galien River Marsh to Chikaming Open Lands (COL). The Berrien County Department of Parks and Recreation acquired 88 acres of the marsh and adjoining upland in 2001. To date, about 70% of the great lakes marsh at New Buffalo has been forever preserved. COL coordinates and encourages stewardship of the marsh and has received a major grant from The Pokagon Fund for restoration work, along with contributions from Berrien County Parks and our neighbors in the Preserve and Riviera homeowner associations.

Chikaming Open Lands is working hard to remove the threat of non-native invasive plants from spreading uncontrollably and crowding out the native plants on which marsh wildlife depend. Controlling invasive plants, now and in the future, is essential to preserving the marsh's rich biodiversity and importance as a functional wetland.

Other threats to the marsh include pollution from failing septic systems and storm water run-off. Educational and regulatory efforts to reduce these threats are underway by other partners.

Thank you for doing your part to protect the great lakes marsh at New Buffalo - an important part of our Michigan heritage!

THE POKAGON FUND

The Galien River Marsh Trail Guide and interpretive signage are compliments of Chikaming Open Lands and were made possible by a grant from the American Electric Power Foundation and the Michigan Department of Natural Resources and Environment. Technical assistance was provided by the National Park Service Rivers and Trails Program.

Friendship Botanic Gardens

John Leinweber, President, Board of Directors

Discover the gates to a breathtaking world of natural and landscaped beauty. Explore gorgeous cultivated gardens, 3.5 miles of paved walking paths, sprawling open spaces, a tranquil lake, winding creeks, groomed woodland trails, scenic fountains, bridges, gazebos, outdoor sculpture and statuary.

Wander and wonder at flowers, plants and trees. Breathe-in fresh air, relaxation, reflection and recreation. Friends, families and even leashed pets are invited to spend a few hours or the entire day immersed in nature, observing birds and wildlife, meditating in the labyrinth, walking the trails or exercising in a fitness garden.

Friendship Botanic Gardens is also a stunning venue for weddings, private events and corporate outings. The natural grounds provide scenic outdoor space plus a covered pavilion seating up to 250 guests. Preferred vendors and rental add-ons are available to help plan your perfect day.

Admission is free for kids and the popular children's garden features slides, a climbing tower, bridge, sound garden and whimsical cabin. Nature education is fun with programs like Bug Safari, Reptile Romp and Butterfly Bonanza.

Like all wonders of nature, this is a story of rejuvenation, transformation and rebirth. Originally opened in 1936, the gardens thrived into the 60s, but sadly declined in later decades due to lack of resources, neglect and overgrowth.

When John Leinweber took the reins in 2015 he had a vision of passion and purpose; to restore the attraction into something even bigger and better and give the local community affordable access to a fresh open air nature sanctuary. "We get things done. I run it like a business."

With his own financial resources, skills and entrepreneurial experience, plus a dedicated team of board of directors, sponsors and volunteers, they've succeeded in realizing his mission, welcoming 70-80 thousand guests per year.

Check online for hours and ongoing calendar of events. Lounge on the lawns listening to live concerts under the stars. Attend lectures and craft workshops. Celebrate Holidays with an Easter Egg Hunt, Haunted Halloween Trails or Christmas Joy lights festival.

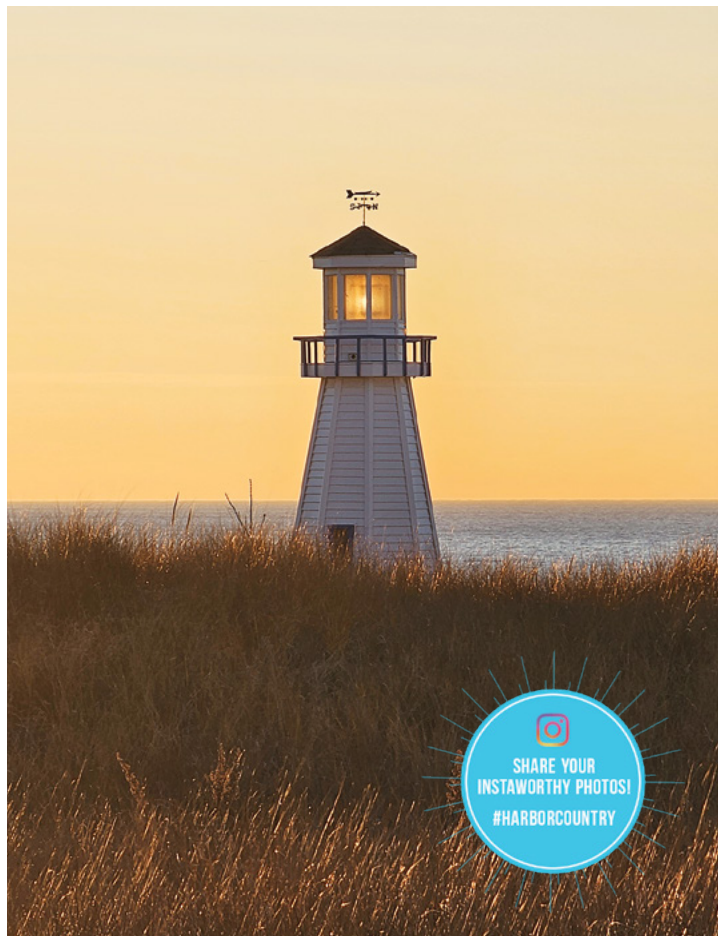

Visit dawn to dusk throughout three seasons. Annual members also enjoy exclusive privileges like access during off-peak hours, creek fishing and winter cross country skiing. Located on Highway 12 in Michigan City.

Discover the magic of your special day at Secret Garden At The Harbor, where every moment is adorned with nature's splendor.

Embrace the romance and let your love bloom in this hidden gem. Book your dream wedding today!

HARBOR COUNTRY LIVING

Protect Your Investment with Home Watch by Bluefish

by Jennifer Brough. Photoshoot location: Michigan Shores Beach House

Unoccupied homes are vulnerable homes. By partnering with Home Watch by Bluefish, you can avoid potential issues before they occur. Whether you're on a short trip or an extended leave, the Home Watch by Bluefish team will inspect your home and keep a close eye on your investment. Home Watch by Bluefish offers an unparalleled home monitoring program to homeowners in Southwest Michigan and Northwest Indiana, including vacation rental owners, full-time residents, second homeowners, real estate investors, snowbirds, and frequent travelers.

With more than 20 years in the industry, Home Watch by Bluefish founders Jason and Erika Milovich, as well as their Property Maintenance Director, Matt Kennedy, tap into their property management expertise to curate year-round programs to meet the

needs of homeowners, given the various property risks throughout each season. Accredited by the National Home Watch Association, the Home Watch by Bluefish team, led internally by Matt, executes guideline-driven inspections to ensure thoroughness and proactivity to get ahead of major maintenance issues.

Their primary emphasis is ensuring clients' properties are secure and free of issues with vandalism, water ingress, storm damage, unusual odors, plumbing, electrical, HVAC systems, animal or bug intrusion, or beach and bluff erosion.

Home Watch by Bluefish packages are tiered based on homeowner needs and have no long-term contracts. Each program consists of scheduled inspections, and depending on the package, homeowners receive a digital report with the completed

checklist, photos, and site-specific notes. Homeowners will be contacted immediately in the event repairs are required, minimizing any impact of damage as quickly as possible. In addition to having an onsite maintenance team, Home Watch by Bluefish clients also have access to customizable concierge services, including seasonal property preparation, subcontractor referrals and coordination, emergency support, on-demand cleaning, and more. Home Watch by Bluefish offers free consultations in which Matt will walk through your home and recommend the best package for your property needs. To set up a consultation or to receive the comprehensive Home Watch by Bluefish brochure, reach out to the Bluefish team at 269-469-0468 or HomeWatch@bluefishvacations.com.

Coast In To Harbor Country®

Explore the stunning natural beauty and enchanting charm of Harbor Country®, a picturesque region situated in the southwest corner of Berrien County, Michigan. With its thriving arts and culture scene, lively culinary offerings, and an abundance of top-notch wineries, craft breweries, and distilleries, Harbor Country is a perfect year-round destination for those seeking a more relaxed pace of life along the scenic Lake Michigan shoreline. Harbor Country is a 35-mile stretch of land situated north from the Michigan state line. It is bordered by one of the only sunset coasts in the United States and extends inland 8 miles to Three Oaks. Harbor Country comprises nine unique

small towns, namely Michiana, Grand Beach, New Buffalo, Union Pier, Lakeside, Harbert, Sawyer, Bridgman, and Three Oaks. Each town has its own style and charm, and all are situated in close proximity to the sandy beach. The area is abundant with fresh produce, which is used to create farm-to-table meals that are sure to impress. The rolling woodlands, dunes, and waterways provide a dramatic backdrop in every season, making it ideal for exploring and rejuvenating the soul. Harbor Country is located only 70 miles away from downtown Chicago, making it an ideal destination for a day trip, weekend getaway, or vacation stay. It's also within

driving distance from major Midwest cities such as Detroit, Indianapolis, Grand Rapids, and St. Louis. With its central location, Harbor Country has become a popular spot for families and friends to come together, whether traveling by train, plane, or automobile. A trademarked destination, Harbor Country has long been known as a summer vacation hot spot referred to as “The Hamptons of the Midwest” and “Chicago’s Riviera.” We welcome you to visit and experience the natural beauty and charm of Harbor Country.

NEW BUFFALO

Home to the State of Michigan Welcome Center, Harbor Country Drive leads to the first sights of Lake Michigan’s sunset coast. The lakefront park and dune walk is a perfect place to watch the sailboats or a color-splashed sunset.

New Buffalo’s harbor boasts more than 1,100 boat slips, the largest on the eastern shore, with a public boat launch and transient marina. Kayaking and paddleboarding the waterways is a wonderful way to get close to nature. Visitors can get a bird’s eye view of the marshlands, flora and fauna at The Galien River County Park which features a 3-story tall observation platform.

Just steps from the water, the vibrant downtown district is home to a variety of dining, lodging, and retail businesses.

There are various housing options available including luxurious coastal homes, city homes with walkable sidewalks, and rural residences on the outskirts. The award-winning school system offers a promise program for free college tuition and specialty programs. New Buffalo Business Association collectively conduct enjoyable annual events for all to enjoy.

GRAND BEACH

The stately white gates of Grand Beach have welcomed visitors and Chicago politicians to the village since the 1900s. Initially developed as a resort area, Grand Beach is home to a public golf course, nearly 50 Sears & Roebuck cottages and three Frank Lloyd Wright homes. The residents are a part of an association that carefully preserves their way of life in the community.

MICHIANA

The southernmost town of Harbor Country® and one of the last areas in the region to be developed. Best known for its “Michiana” log homes built into the dense woods that dot the shores of Lake Michigan, the village is primarily a quiet, residential neighborhood.

The most often heard question is, “What stop are you at?” referring to the old bus route stations that still dot Lake Shore Drive. The stop markers remain the landmarks to navigate by and designate a variety of Lake Michigan beach access points.

UNION PIER

Four miles north of New Buffalo, Union Pier is a major vacation destination with a wide variety of places to stay — quaint Bed & Breakfasts, historic inns, vintage cottages and modern luxury homes. Most are within walking distance to Lake Michigan or perched above the water.

Small, road-end public beaches offer breathtaking views as you descend the stairs from upper access points.

For an afternoon of Michigan wine tasting, there are rooms hosted by Roundbarn Winery or St Julian Winery located at the I-94 exit. Numerous restaurants, shops, breweries, art galleries and bakeries line the main throughfare along Red Arrow Highway in this one-light welcoming town.

A non-motorized pathway creates a safe and fun way to easily travel by bike or hike.

Residents enjoy living here year round, patronizing the businesses who entice locals with specials and seasonal events.

LAKESIDE

Historic inns, some on the national registry, offer options to rock in a chair on a sprawling veranda, breath in the slower pace and wonder of the natural surroundings. Deer accustomed to guests frequent the backyards.

Take the Red Arrow Ride, a scenic drive through beach communities from the state line through Lakeside and north, where visitors can visit design studios, antique shops, and specialty stores.

A strong sense of community is fostered by an active homeowners’ association that organizes an annual Memorial Day parade and Ice Cream Social. Many residents live in restored historic summer cottages, creating a warm and familiar community.

HARBERT

Harbert hasn’t changed since the days the poet Carl Sandburg and his goats roamed its wooded lanes, it retains all of its appeal. While living here, he completed several books, including the Pulitzer Prize winning Abraham Lincoln: The War Years. The Carl Sandburg historical marker is located on Red Arrow Highway.

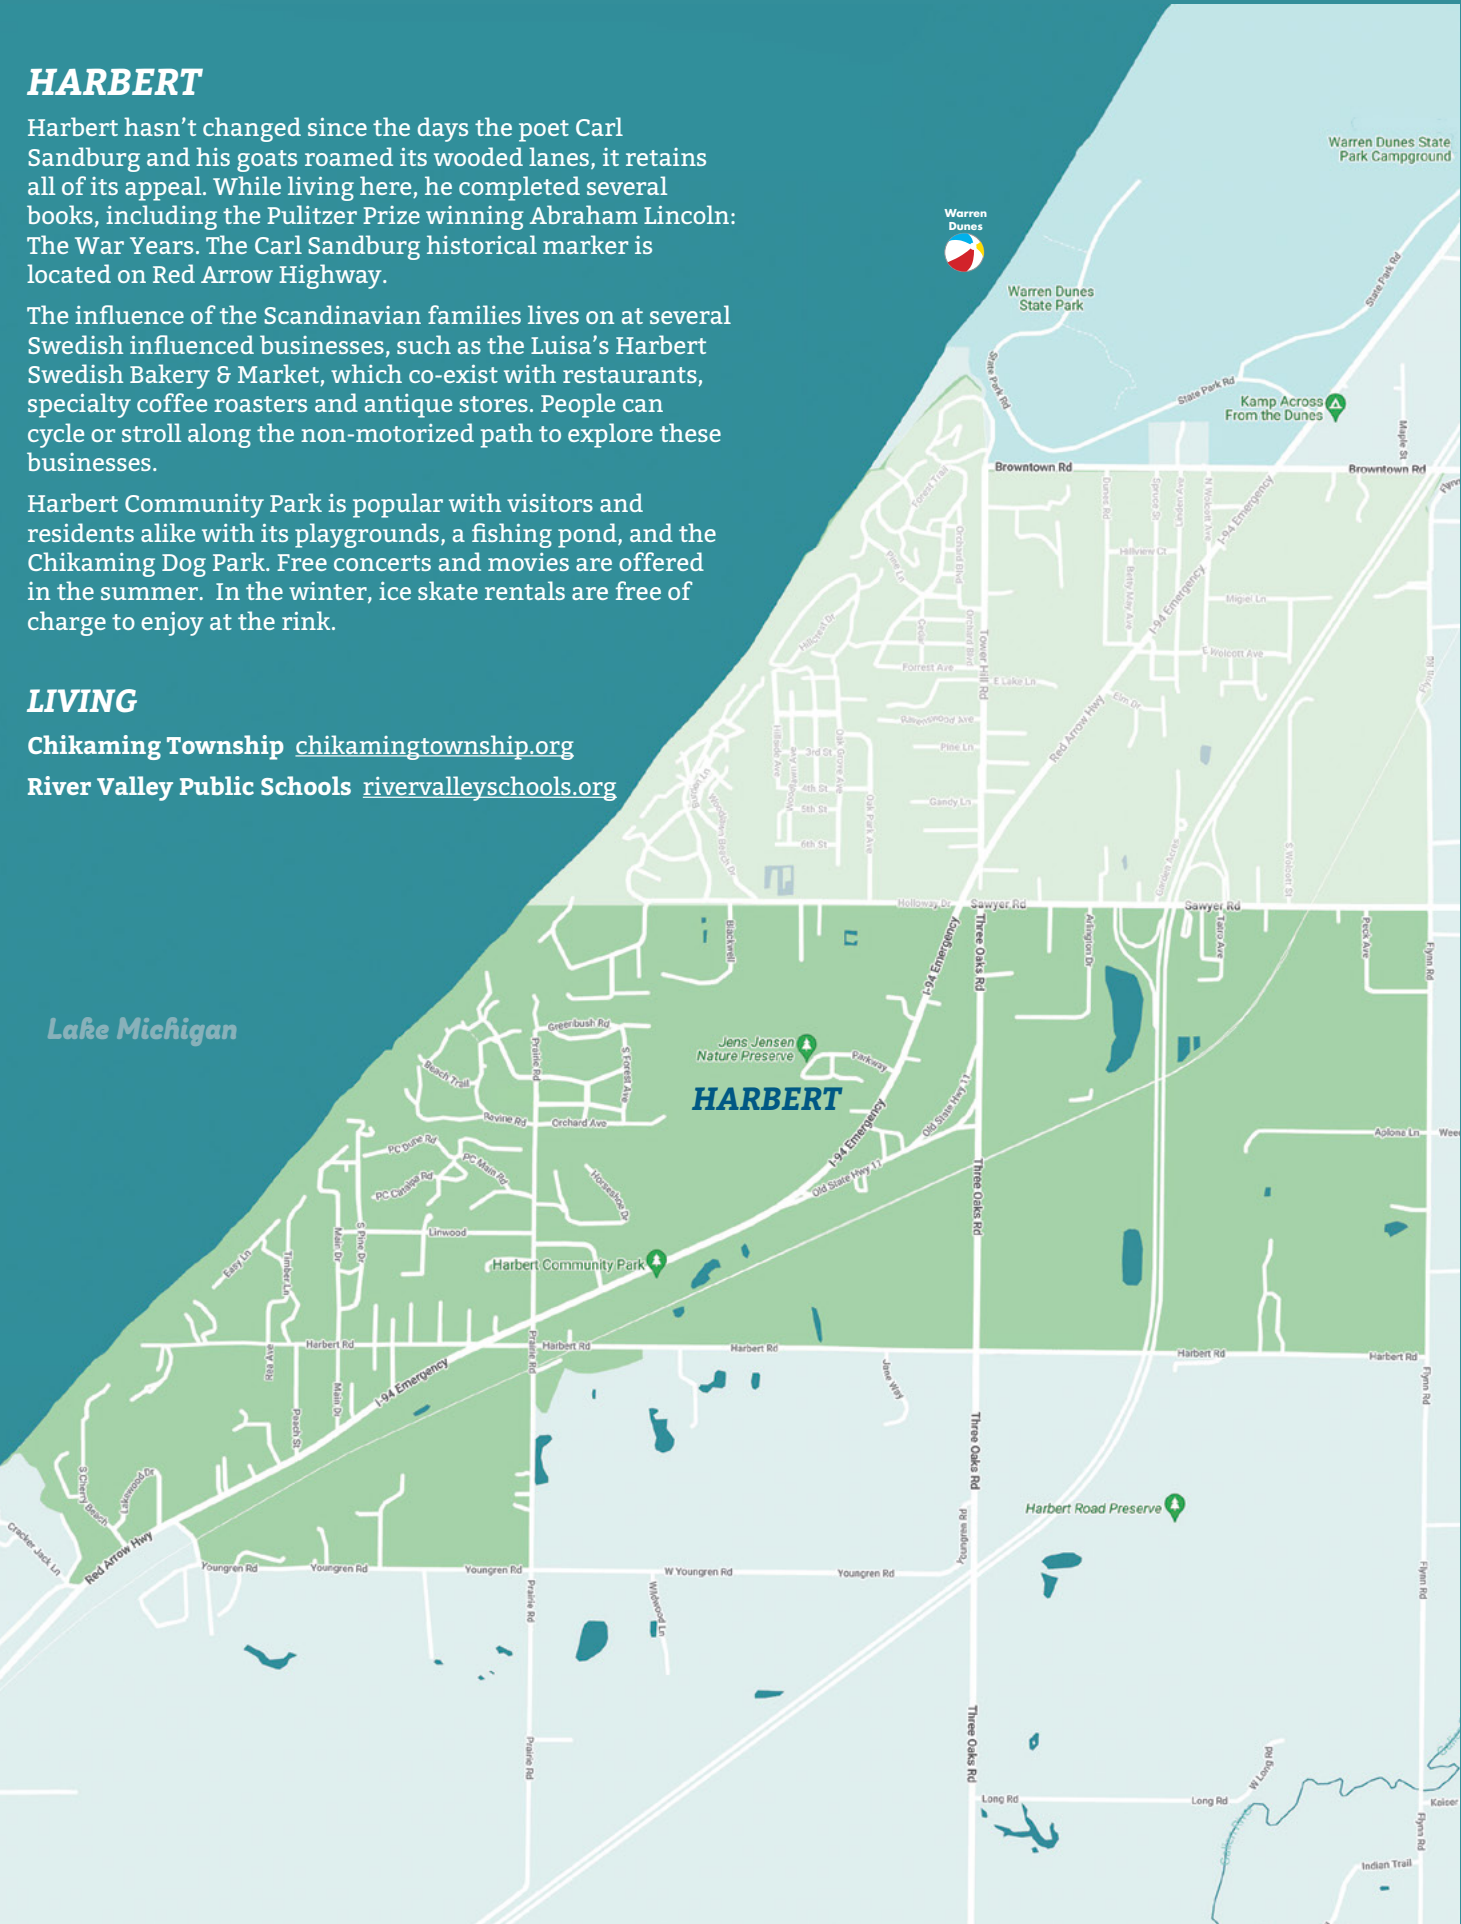

The influence of the Scandinavian families lives on at several Swedish influenced businesses, such as the Luisa’s Harbert Swedish Bakery & Market, which co-exist with restaurants, specialty coffee roasters and antique stores. People can cycle or stroll along the non-motorized path to explore these businesses.

Harbert Community Park is popular with visitors and residents alike with its playgrounds, a fishing pond, and the Chikaming Dog Park. Free concerts and movies are offered in the summer. In the winter, ice skate rentals are free of charge to enjoy at the rink.

SAWYER

Home to one of Michigan’s top destinations – Warren Dunes State Park. The Park offers acres of hiking trails that meander through sand dunes, campgrounds, and a dedicated dog-friendly beach. Sledding and sand surfing are great ways to enjoy the 3-story tall dune, Tower Hill, which also provides stunning vistas of Lake Michigan below. As the sun dips into the lake at the end of the day, viewers may catch the phenomenon of viewing the Chicago Mirage, which reflects the city skyline located 60 miles across the lake.

There are many opportunities to enjoy wine tasting, fine dining, antique shopping and specialty food sampling when traveling Red Arrow Highway to the state park entrance.

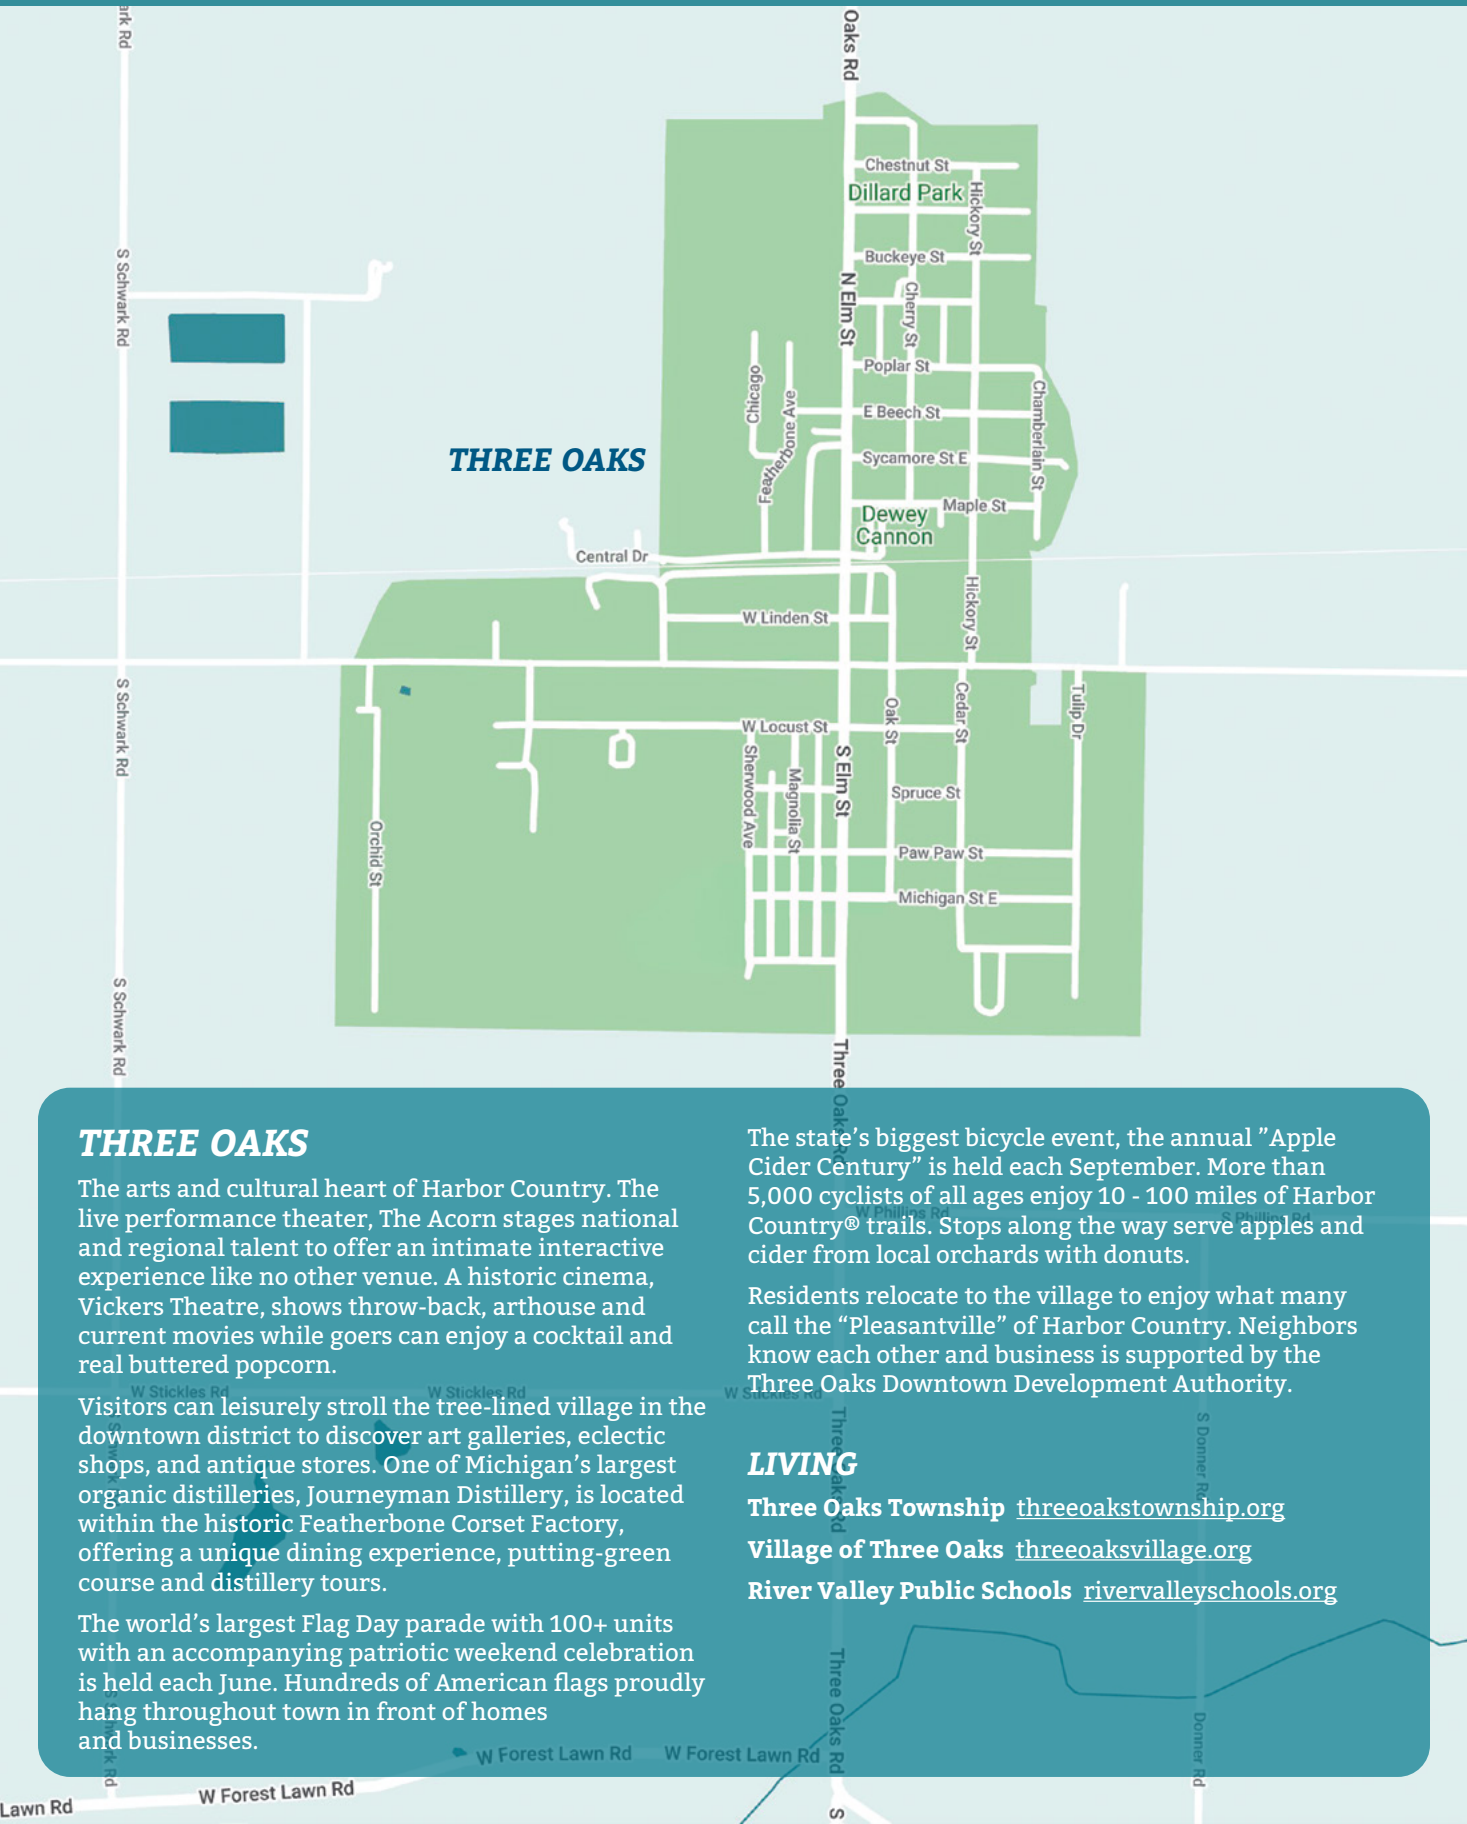

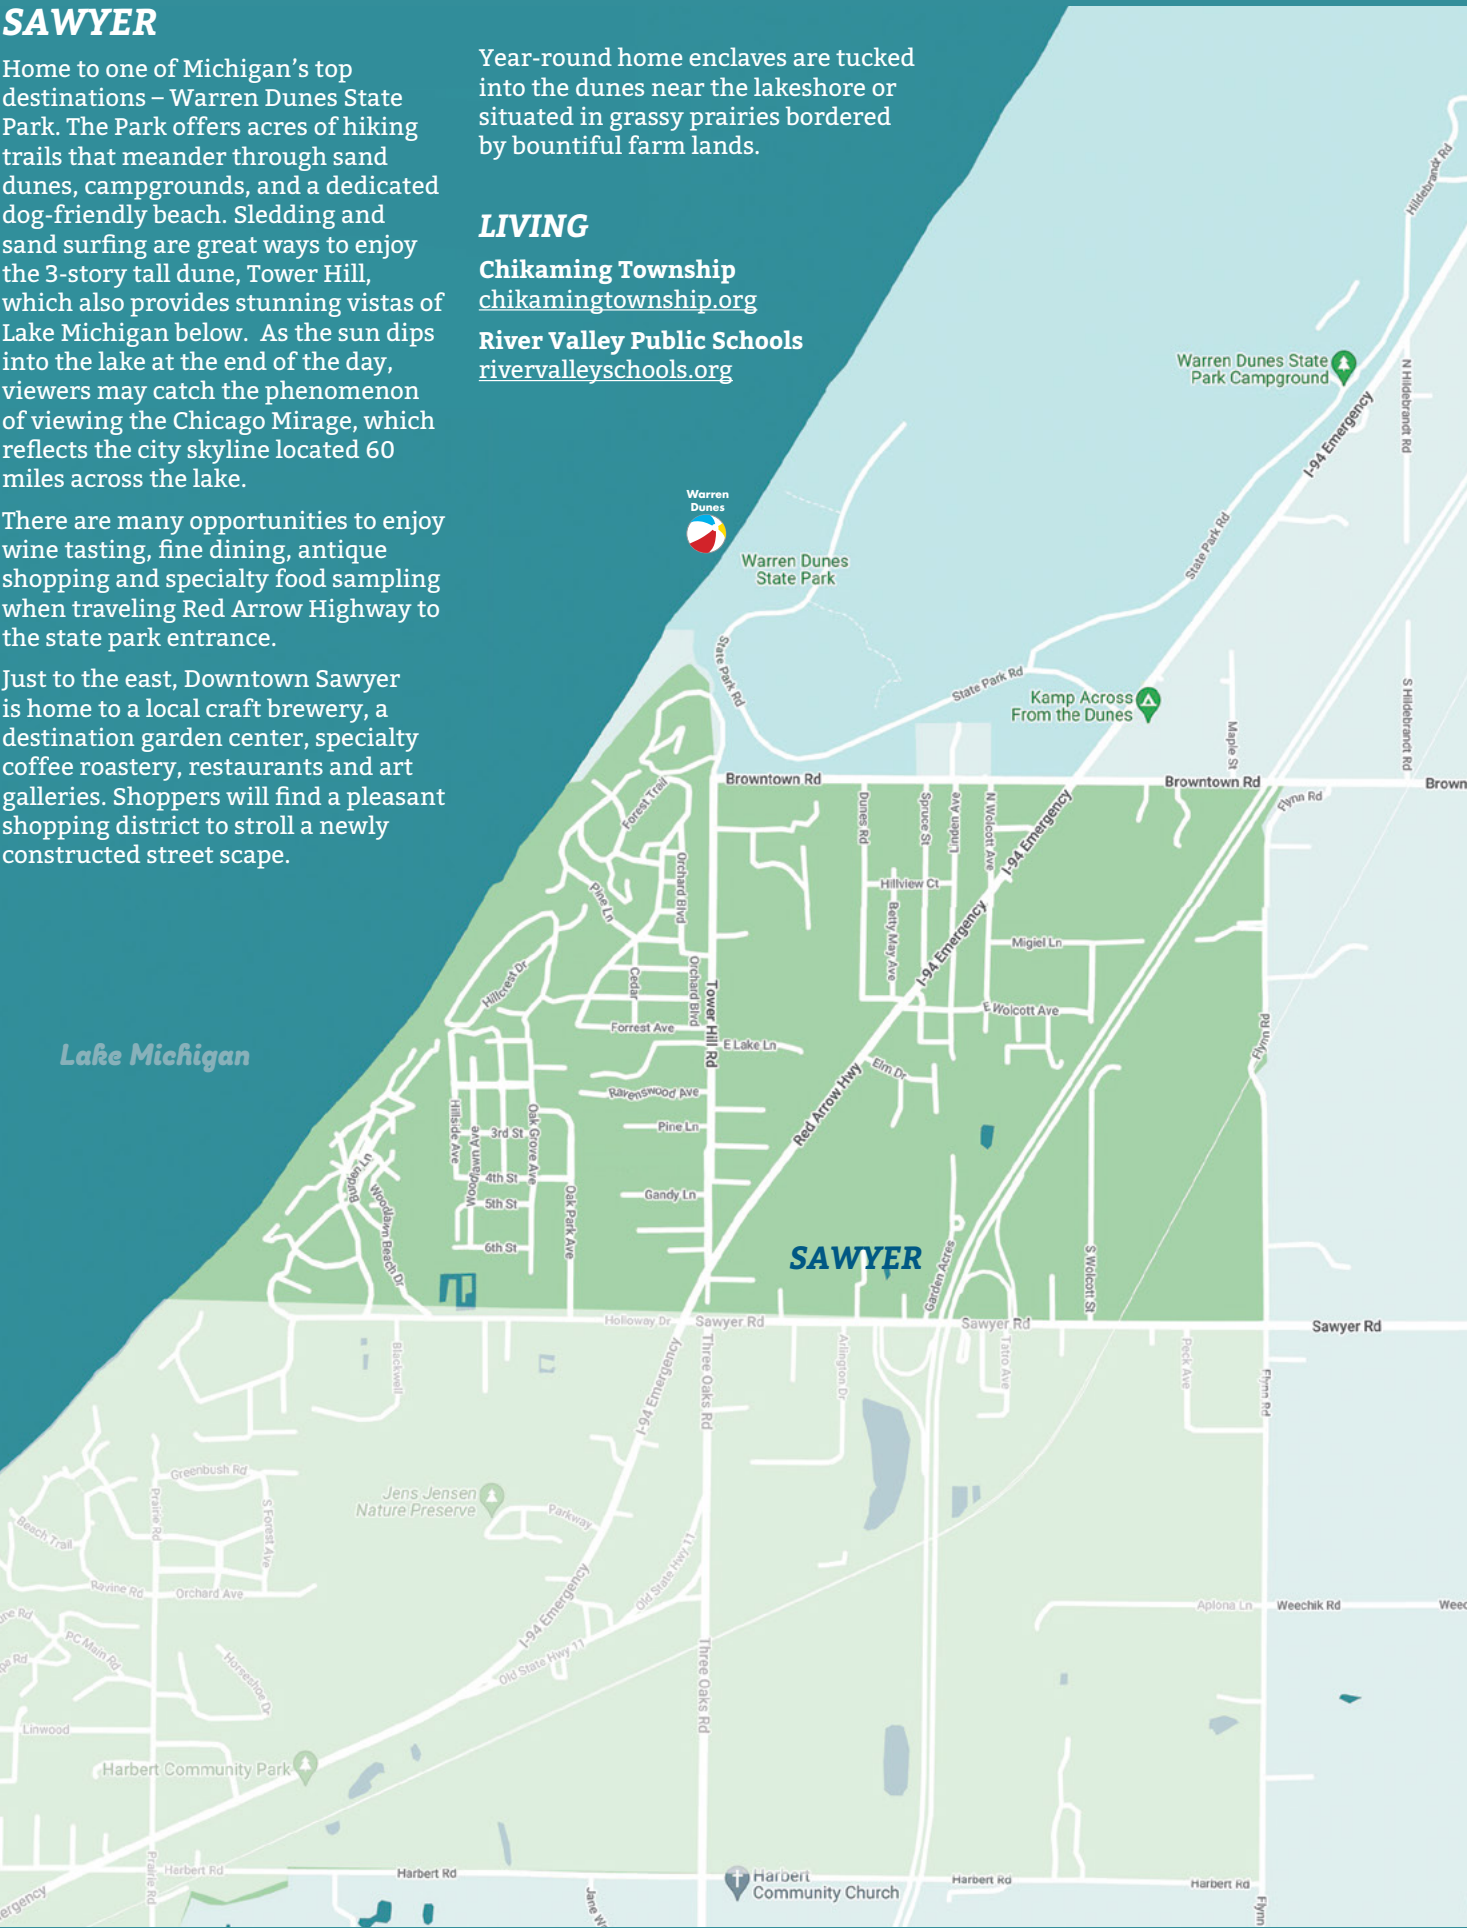

Just to the east, Downtown Sawyer is home to a local craft brewery, a destination garden center, specialty coffee roastery, restaurants and art galleries. Shoppers will find a pleasant shopping district to stroll a newly constructed street scape.

Year-round home enclaves are tucked into the dunes near the lakeshore or situated in grassy prairies bordered by bountiful farm lands.

THREE OAKS

The arts and cultural heart of Harbor Country. The live performance theater, The Acorn stages national and regional talent to offer an intimate interactive experience like no other venue. A historic cinema, Vickers Theatre, shows throw-back, arthouse and current movies while goers can enjoy a cocktail and real buttered popcorn.

Visitors can leisurely stroll the tree-lined village in the downtown district to discover art galleries, eclectic shops, and antique stores. One of Michigan’s largest organic distilleries, Journeyman Distillery, is located within the historic Featherbone Corset Factory, offering a unique dining experience, putting-green course and distillery tours.

The world’s largest Flag Day parade with 100+ units with an accompanying patriotic weekend celebration is held each June. Hundreds of American flags proudly hang throughout town in front of homes and businesses.

The state’s biggest bicycle event, the annual “Apple Cider Century” is held each September. More than 5,000 cyclists of all ages enjoy 10 - 100 miles of Harbor Country® trails. Stops along the way serve apples and cider from local orchards with donuts.

Residents relocate to the village to enjoy what many call the “Pleasantville” of Harbor Country. Neighbors know each other and business is supported by the Three Oaks Downtown Development Authority.
